

Declaration of REACH Compliance (2026)

Dinxperlo, 25th March 2026

REACH 253 (EC 1907/2006) aims to improve the protection of human health and the environment through the better and earlier identification of the intrinsic properties of chemical substances. This is done by the four processes of REACH, namely the registration, evaluation, authorization and restriction of chemicals. REACH also aims to enhance innovation and competitiveness of the EU chemicals industry.

We hereby declare that products manufactured by Royal Dinxperlo B.V. do not contain **Substances of Very High Concern**, or if there are Substances of Very High Concern in the product/article, the content is less than 0.1% by weight as defined by REACH EG 1907/2006. The REACH 253 SVHC Candidate List is dynamic and should not be assumed to be the final list.

Additionally, we confirm that our products do not contain substances listed in REACH Annex XVII above the permitted thresholds. This includes substances subject to restrictions on manufacture, placing on the market, or use in accordance with the latest consolidated version of REACH Annex XVII.

This statement is based on information provided by Royal Dinxperlo B.V. suppliers and is accurate to the best of our knowledge.

Best regards,

L. Hallen
